HANDLE WITH CARE

East Bridgewater High School
East Bridgewater, Massachusetts

Dedication

. . . how rare and strange it is, to find
In a life composed . . . so much of odds and ends . . .
Those qualities upon which friendship lives . . .

"Portrait of a Lady" — T. S. Eliot

" . . . yet this is you . . . "

Mrs. Anne Hynes

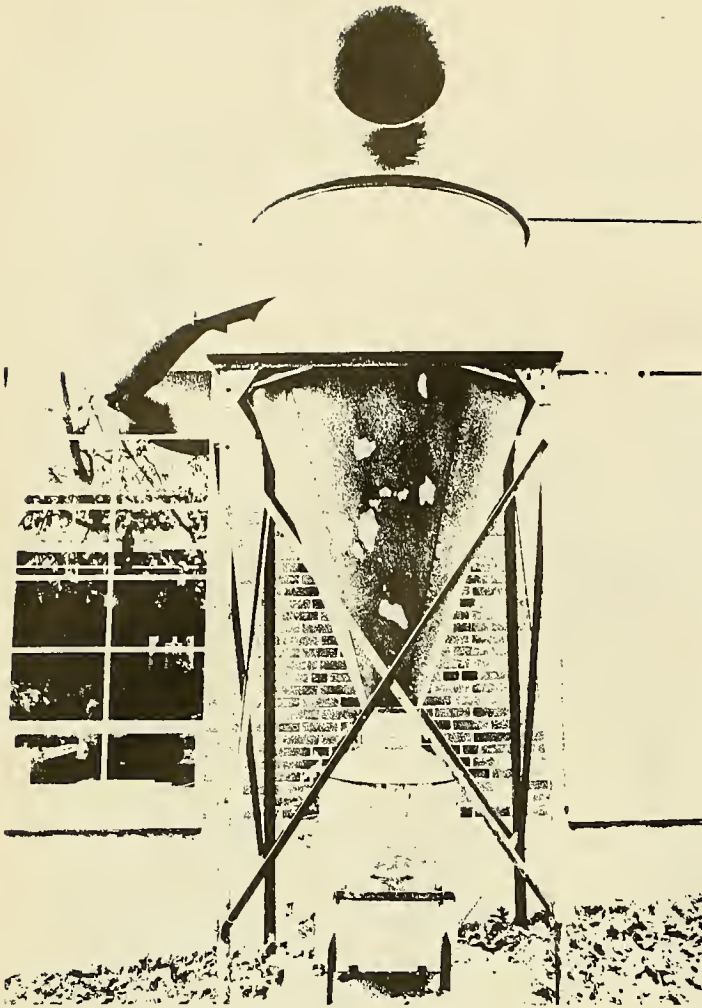

"He brings back the little foolishness that makes us whole, the splendid lunacy we love and lack."

Mr. Nicholas Paone

And his indifferent mastery of the hour is a courage that dismisses seasons and a magnificence that scorns all reasons."

There are places I'll remember
All my life, though some have
changed,
Some forever, not for better,
Some have gone and some remain,
All these places had their moments,
With lovers and friends I
still can recall,
Some are dead and some are living,
In my life I've loved them all.

J. Lennon

I am he as you are he
 as you are me and
 we are all together

**To give is all there is;
To smile and see the sun
and other things**

And between the hours of
smiling
To understand the reason
for some sadness
And for some pain now
and then.

To touch immature
faces and teach,
To touch hurt faces
and heal,
To slide forgotten faiths
into tired minds.

And then burn those minds
with fire,
Lifting all life to the surface
of the eyes,
Turning tears to glitter
to shine . . .

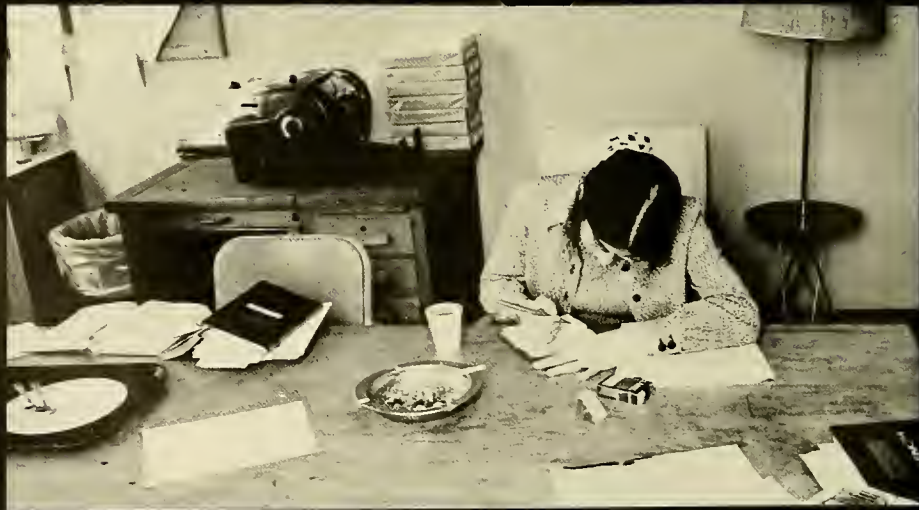

To bring a laugh to the throat
And laughter to the mind,
And laughter to every
 human being . . .
To give is all there is,
And together, giving
. . . there is
 Joy.

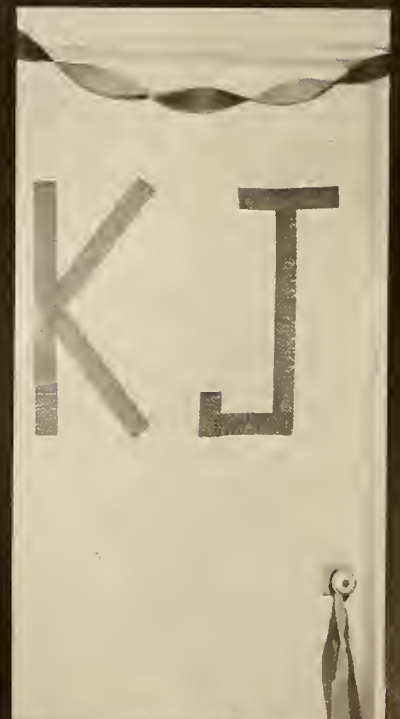

ACADEMICS

Teach us to care and not
to care

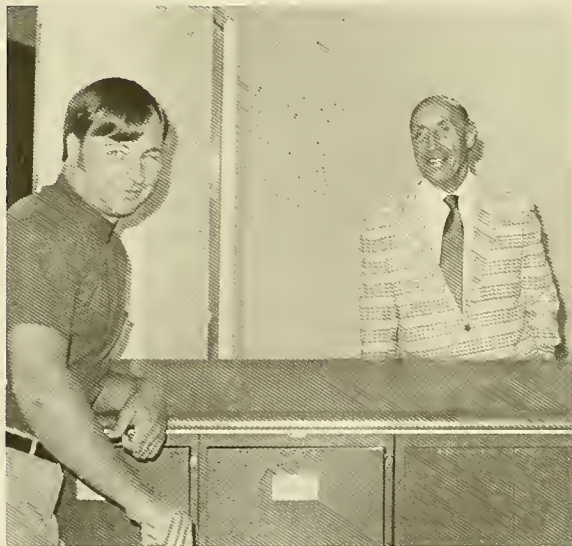

Teach us to sit still
T. S. Eliot

Administration

"... Our thoughts are
bound and packaged in
your hands,
The world is formed and
furled in your ceaseless
hands,

The hours and days drip from
your fingertips, . . .
And you have made our
fingers wise with
restlessness . . ."

Library

Anne Hynes
Librarian

"You have given us the variable,
the infinite and the small
. . . and our laughter, like your own,
and lapped the world.
. . . Our words are not disreputable
nor mean;

At this moment now, conceive us once
again,
Make us tough and mystical.
We only pray you heal our idiot ways
And the kind of lonely madness which
we have
Of bleeding one another on the
road."

STUDENT LIFE

Words move, music
moves
Only in time; but
that which is only
living
Can only die.
T. S. Eliot

Junior Prom

All sorrow and joy comes together here, gnaws at the chains of the heart, and begins the flow of memory.

Senior Class Play

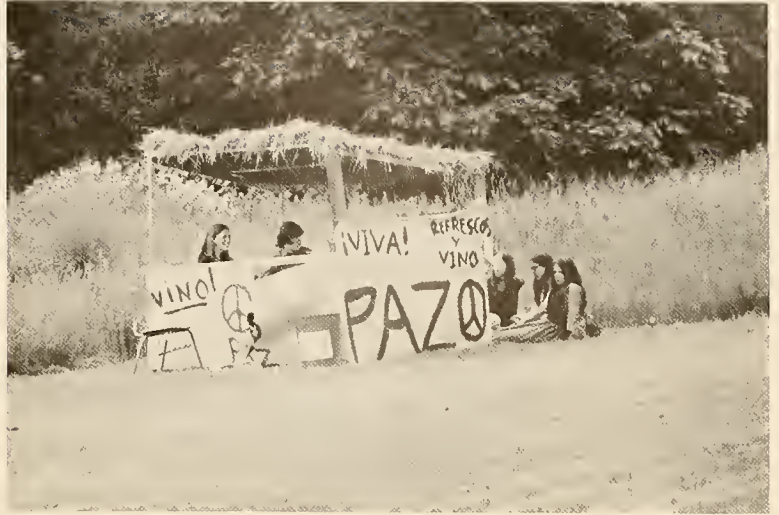

So this is all —
this blood-let of emotion —
this fine poetry,
shining on the stage.

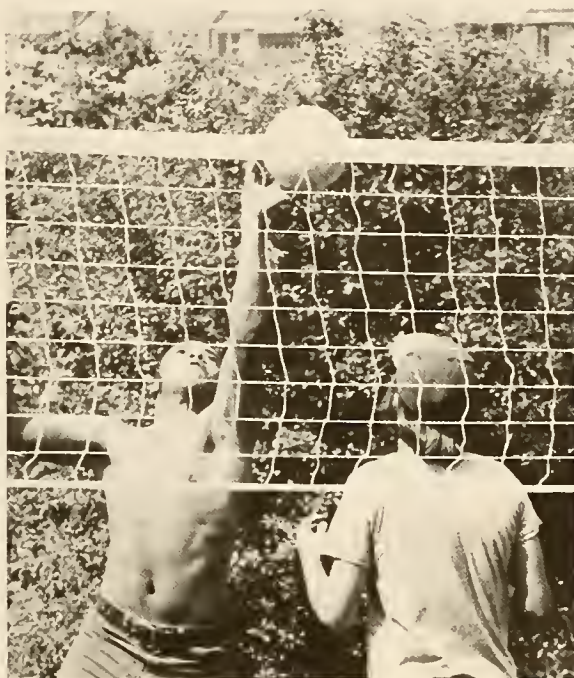

Spanish Day

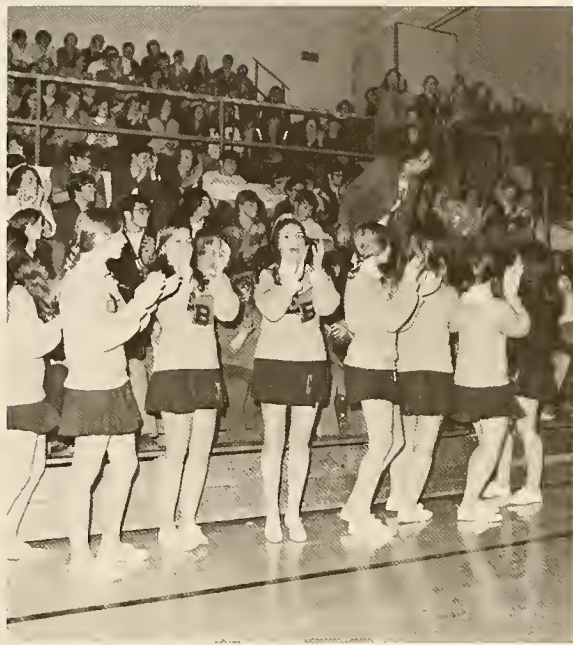

Field Day

Homecoming

Christmas Banquet

Always together forever in time — of this past place we remember pleasure.

SPORTS

I now suspect there
is something fierce
in you eligible to
burst forth,
For an athlete is
enamour'd of
me, and I of
him, . . .
I dare not tell it in
words,
Not even in these
songs.

But it's not always going to be this gray
All things must pass, all things must pass away . . .
